Subject: Fruitland Magnesium Fire Incident CPW Amendment C
[Fruitland CPW Amendment C.pdf](#)

Michelle/Jason,

Per your request, I have attached the Fruitland Magnesium Fire Incident CPW Amendment C for your review. This Amendment C increases the field support for up to three STARTS and extends the field support for 5 days and includes additional costs for laboratory analysis of 30 air samples for 24-hour TAT.

Please let me know if you have any questions,

Thanks, Rick Mehl
START Readiness Coordinator
